## STUDENT EXCHANGE IN SOCIAL SCIENCES WITH MAINZ CATHOLIC UNIVERSITY OF APPLIED SCIENCES

The International Bachelor's degree in "**Social Sciences: Migration and Integration**" is an international social science degree course:

The course provides an introduction to the "Social Sciences" in general. At the same time, the topics of "Migration" and "Integration" are formulated from a social science perspective. This unique approach offers students

- profound and specialized knowledge
- international experiences
- intercultural competence and language skills

## 4 REASONS TO STUDY AT MAINZ CUAS!

- Excellent contacts between teachers and students owing to the manageable size of the university (approx. 1,300 students).
- Networking of teaching and practice through cooperation projects with governmental and non-governmental organisations.
- A vital university community that promotes exchange between all members of the university.
- A historically interesting city which is located nearby Frankfurt International Airport.
